## **WHAT HAPPENS WHEN WE COLLECT INFORMATION NECESSARY FOR PROVIDING YOU WITH A HEALTH SERVICE?**

We will only collect information necessary for providing you with a health service. Where practical we will only collect information directly from you. We seek your assistance to ensure that information held about you is accurate and up-to-date.

## **ACCESS TO YOUR INFORMATION**

You can access your personal health information held by the practice. If you need access to your records, practice staff can advise you of the process and any costs that may be involved.

## **TO WHOM WE DISCLOSE INFORMATION**

- To provide you with a quality health service we may disclose selected personal health information to others involved in your treatment and care such as: a treating hospital, specialist, pathology provider, provider of medical imaging services, pharmacist, dietician, physiotherapist or other allied health practitioner
- We only disclose those details necessary for you to receive appropriate care from the health service concerned
- Limited information (for billing or public health registers) must be disclosed by law to government bodies overseeing the provision of public health services (e.g. for billing purposes we are required to provide to Medicare Australia a Medicare number in connection with the type of medical service we provide you).

## **PRIVACY POLICY**

Our practice has developed a policy to protect your privacy in compliance with privacy legislation. Our staff and GPs are trained in good privacy practice. Patient privacy information is available from the practice. Our informed and caring staffs and GPs can advise you on any of your privacy concerns. Our policy is to inform you that we need your consent to collection information about you:

- What personal information is being collected
  - Who is collecting your personal information
  - How your personal information is being used
  - To whom your personal information is being disclosed
- that you may discuss any concerns you have about how we handle your information

## **MANAGEMENT OF VETERIAN AFFAIRS PATIENTS**

The Department of Veterans' Affairs' Coordinated Veterans' Care (CVC) Program uses a proactive approach to improve the management of participants' chronic conditions and quality of care.

CVC is a team-based program where the participant, a General Practitioner (GP) and a nurse coordinator (NC) work together as a core team to develop a plan to meet the health needs of the participant and manage their ongoing care.

## **FOLLOW-UP OF RESULTS**

If your doctor has ordered any investigations, please make an appointment for follow-up of results. If your doctor needs to see more urgently, you will receive a phone call or letter requesting that you make an appointment.

## **TELEPHONE CALLS**

You can ring your doctor during surgery hours. Emergency calls will be put straight through.
